

Tue, 15 Jan 2019 20:00:00 GMT a rational expectations approach to pdf - In economics, "rational expectations" are model-consistent expectations, in that agents inside the model are assumed to "know the model" and on average take the model's predictions as valid. Rational expectations ensure internal consistency in models involving uncertainty. Sun, 26 Oct 2008 23:53:00 GMT Rational expectations - Wikipedia - The Rational Unified Process (RUP) is an iterative software development process framework created by the Rational Software Corporation, a division of IBM since 2003. RUP is not a single concrete prescriptive process, but rather an adaptable process framework, intended to be tailored by the development organizations and software project teams ...
