Peretti (2012) Pdf Book ePub ... - In one sense, books are like cakes--the recipe may be more enticing than the taste. Magic, time travel, mature love and teenage confusion (strange mix, but Peretti made it work without being too creepy), mad scientists, doves, etc. Decent writing for the most part, but too choppy and disjointed at times. One thing I discovered as I
told fellow reader friends
about this book is that most
of my friends have heard
about Frank Peretti and
already familiar with his
work. Illusion was the first
of his books I have read.
